Introduction

Introduction

Legal Basis

1. In the exercise of its reportorial function, the Commission on Audit, through the Corporate Government Sector (CGS), monitors and reports annually the total amount of salaries and allowances including extraordinary and miscellaneous expenses (EME) and indirect benefits received by the top three ranking officials of government agencies some of whom hold multiple positions in different agencies of government in the same year.
2. For this purpose, the Commission on Audit issued COA Memorandum No. 92-780, dated 21 September 1992, as amended by COA Memoranda Nos. 2010-012 and 2016-011, dated 06 April 2010 and 04 April 2016, respectively. In compliance thereto, the CGS prepares a consolidated Report on the Salaries and Allowances (ROSA) received by (a) Principal officers and members of governing boards of government-owned or controlled corporations/government financial institutions (GOCCs/GFIs) and their subsidiaries, and (b) Secretaries, Undersecretaries and Assistant Secretaries and other officials of equivalent rank of national government agencies (NGAs), for submission to the Office of the President of the Philippines and the Congress.

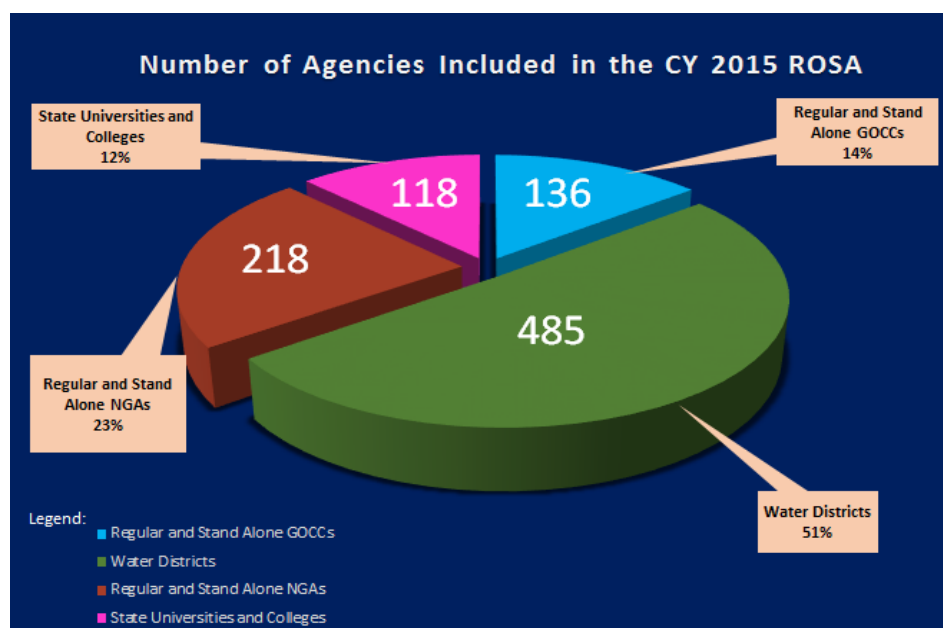

Report Objectives

3. The report aims to: (a) support the continuing thrust of the government for transparency and accountability of government funds, through regular monitoring and reporting of the salaries and allowances received by the top three officials of each government agency some of whom hold multiple positions in different agencies in the same year; and (b) determine the total amount of emoluments and benefits received by them from all the different government agencies/instrumentalities where they serve and/or are affiliated.

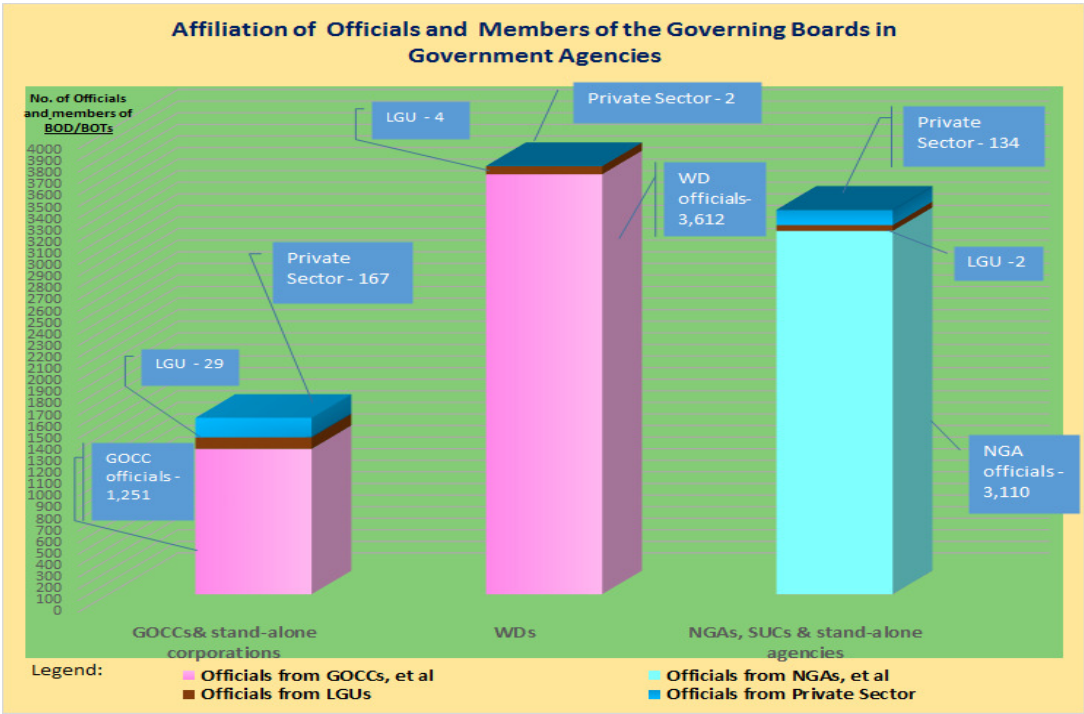

Structure and Contents

4. The data as herein presented were compiled from the CY 2015 Quarterly and Annual Reports of Salaries, Allowances and Other Benefits received by officials of NGAs and GOCCs and members of the governing boards of GOCCs and SUCs submitted by the said government agencies and duly verified by the COA Audit Teams assigned to these agencies which include: (a) Subsidiaries of GOCCs;

- (b) Water Districts; (c) State Colleges and Universities; and (d) Stand-alone corporations and national government agencies. The ROSA also includes data on some government officials who rendered services to their respective agencies and other government offices during the year but received no compensation. The presentation thereof is in accordance with the 3rd paragraph of COA Memorandum No. 92-780, which provides that, *"If the principal officers, members of the governing board, Secretary, Undersecretary or Assistant Secretary did not receive any salary and/or allowance during the year, the name just the same should be included in the list but should be so identified as not having received such salary and/or allowance for that year."*
5. To enhance and effectively monitor the compilation of the ROSA data, COA Memo 2016-011 dated 04 April 2016 was issued. Said regulation highlights the inclusion of indirect benefits which include benefits and/or allowances accruing to concerned Agency officials or members of the governing board due to the nature of their job or posting, such as but not limited to the employer's share in the Provident Fund as well as the overseas quarters/housing allowance in their actual dollar amount. Separate columns were provided for the EME and Indirect Benefits.
 6. The clothing, medical, family and similar allowances received in US dollar denomination are presented in their peso equivalent using the BSP authorized conversion rate as at the last working day of the year (29 December 2015) and forms part of the direct benefits shown in Parts II, III and IV hereof. Likewise, the indirect benefits received in US dollar amounts which are presented separately in Part VI are shown in their peso equivalent using the same BSP authorized rate as at 29 December 2015 is shown in Part V of this Report.
 7. This Report includes ROSA data for 957 government agencies which consist of 621 GOCCs and 336 NGAs that paid salaries, allowances, bonuses and incentives and other benefits to government officials. The ROSA data for GOCCs were submitted by 118 regular GOCCs in the National Capital Region, 18 stand-alone corporations in the regions and 485 water districts while the ROSA data for NGAs include 218 regular agencies and bureaus and 118 state universities and colleges.

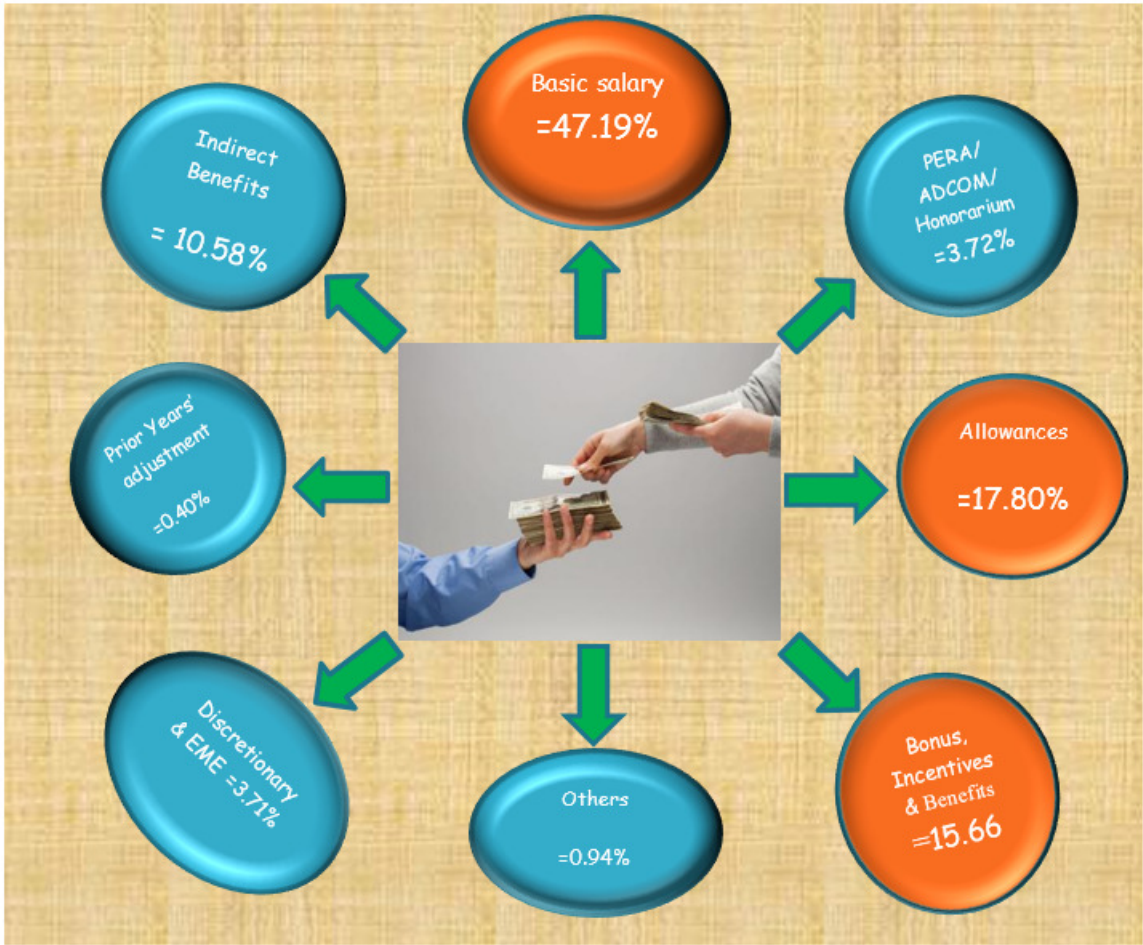

8. The Bangko Sentral ng Pilipinas (BSP) submitted an incomplete ROSA data of the agency’s top three ranking officials and members of the governing board. The BSP did not report in the quarterly and annual ROSA they submitted to COA, the data for indirect benefits required under COA Memorandum No. 2016-011 dated 4 April 2016.
9. The ROSA data of the following GOCCs are not included in this Report for the reasons stated below:
 - a) abolished GOCCs in mid-2014 and in 2015:
 - Philippine Agricultural Development & Commercial Corporation;
 - NIA Consult, Inc.;
 - National Agri-Business Corporation;
 - Philippine Forest Corporation;
 - ZNAC Rubber Estate Corporation.; and
 - Human Settlements and Development Corporation.
 - b) non-operational GOCC and WDs as well as the five (5) WDs that experienced fortuitous event in CY 2015, as shown in **Annex E**.
10. A total of 8,311 government officials from the 957 government agencies/instrumentalities are listed in the CY 2015 ROSA. This total consists of 4,863 officials and members of the governing boards of GOCCs and GFIs (inclusive of 3,612 officials of water districts); and 3,110 officials of different national government agencies inclusive of the officials of the SUCs and stand-alone NGAs. The governing boards of GOCCs and NGAs include 35 officials who come from the Local Government Units (LGUs) and 303 from the private sector who sit as members of the governing boards of said GOCCs and NGAs.
11. The following is a graphic presentation of the affiliation of government officials and members of the governing boards in government agencies.

12. The Private Sector representatives included in this Report refer to the officers from private companies, associations and private individuals who are affiliated with some government agencies/ instrumentalities. The list of private sector representatives and the position(s) they hold is shown in **Annex A**. The local government officials appointed as members of the governing boards of various GOCCs, WDs and SUCs are shown in **Annex B**.
13. The data on compensation and other remunerations prepared by the Agency and verified by the COA Audit Team, were categorized into eight (8) major classifications pursuant to COA Memorandum No. 2016-011 dated 4 April 2016, as follows:

**Major Classification of Salaries,
Allowances and Other Benefits**
(with Percentage as to Total Amount)

14. For brevity and to facilitate identification, acronyms of the various government agencies were used in the report. The list of government agencies and their corresponding acronyms is provided in **Annex C**.
15. The subclassifications under Allowances, Bonuses, Incentives and Benefits is provided in **Annex D**.

16. The CY 2015 Report on Salaries & Allowances is divided into five parts, namely:

17. The CY 2015 ROSA is prepared pursuant to COA Memorandum No. 92-780, dated 21 September 1992, as amended by COA Memoranda Nos. 2010-012 and 2016-011, dated 06 April 2010 and 04 April 2016, respectively. Considering that the data herein presented are a compilation of unaudited ROSA reports submitted by the agencies which were verified only as appearing in the books of the GOCCS/GFIs and NGAs by the COA Audit Teams, the Commission on Audit does not render an opinion on the ROSA either partly or as a whole. The items of expenditures reported in the ROSA are subject to a separate detailed audit and examination by the auditors concerned.
